9. Accommodation

winter semester

In the end of June (if application documents are completed) students receive website address and unique code to apply for the place in one of university's dormitory. Information about assigned places is given out about one month before the date of arrival.

summer semester

The places are allocated on "first come , first served" basis. In December, all summer semester Erasmus students get the instruction when and how to apply for the place in dormitory.

Please notice that not every Erasmus student could be provided with dormitory place.

10. Health insurance

Erasmus Students are required to have the European Health Insurance Card issued at your home country (valid for the whole period of their staying at UG). Non-EU students are required to have commercial health insurance (valid for the whole period of their staying at UG) which covers medical costs and consequences of any accidents. Health Insurance Card will be verified after arrival. If students do not have valid HIC they will be denied studying under Erasmus exchange at the University of Gdansk.
